

## North Ridgeville Early Childhood PTA Meeting

November 7, 2017, 7 pm, Bullfrogs

1. Preschool Panel Meeting
2. Treasurer's Report
  - a. Please remember to check their paypal payments for fees as we are still having a few come through each month where the pta ends up losing money. Always use the friends and family option
  - b. Please remember that we can't reimburse for tax but tax exemption forms are available should people need them.
  - c. With regards to KK, I wanted to update everyone... we haven't been invoiced from the school yet (I've been sending reminders for it), so excluding that, we made \$1,900.51!!!!!! Thank you again to everyone who helped!! Once Erin and I look at our schedules for Spring, we will make a poll on the group page and go with the majority vote for the dates we request approval from the school for :)
3. Correspondence
4. Delegate Reports
  - a. School Board Delegate: The high school has to do an exterior study, in which they look at the existing problems with the roof and some of the brickwork and review the course of action. The team should consist of Administrators, teachers, as well as community members. If you are interested in being on the panel, contact Matt Yunker at (440) 327 4444 or mattyunker@nracs.net
5. Committee Reports
  - a. Programs (Vice President)
  - b. Legislation (Vice President)
  - c. Fieldtrips

I just wanted to remind everyone that if you sign up and pay for a trip and then something happens at the last minute and you cannot make it any longer, there's a good chance you will lose that payment. Places make preparations for us such as having enough staff, getting supplies, reserving seats and if we tell them that we are coming with a group of 17 then they are expecting 17 kiddos! Other places do not charge us if someone doesn't show up but most of them do! So just a reminder to please be considerate when it comes to fieldtrips. I would like our group to continue to have a good reputation because that is a benefit to all members!

### d. Children's Parties

We're going indoors for this do-over "Fall Party" Come follow us to Top Gun Ohio gymnastics center in Avon on Sunday, November 26<sup>th</sup> 10am-12pm. We will have staff led activities (with parents closely monitoring-arms length away from little ones) and a bit of free time in the gym area. Afterwards, we will have a snack and send you home for peace and quiet as your worn out kiddos nap!!!! The gym and activities will be set up and geared toward children through age 6. Older children are welcome to attend with fair warning they will need to wait their turn and be aware of the littles :) Please check your calendars (this is Thanksgiving weekend)

### e. Community Service

Please consider volunteering to help put together Thanksgiving baskets for the seniors of North Ridgeville at the Community Cares building. It will only take about an hour. They are asking for adult participation only as it will be tight quarters for the little ones. **Sunday, November 19, 2017 1-2 PM** Filling of Community Cares Thanksgiving Baskets (adults only) North Ridgeville Community Care in North Ridgeville, Ohio
